See Kelby One Photo Walk for additional rules & Information

In addition, in 2020 we debuted our gallery page that allows participants to comment, like, and lift-up other walkers (and leaders), and this year we have created a third prize that is open to everyone, regardless of whether you are a walker or a leader (*and even if you weren't selected by your leader*). Once you submit your image it will automatically populate into the **GALLERY**. The image with the most likes/comments will be our "People's Choice" winner!

▲ What Are The Photo Contest Rules?

In order for all walkers to have the same opportunities to capture images during the walk, the following rules must be followed:

1. You may only submit *one* photo
2. Collages *aren't* allowed, as they are technically more than one photo. But, the following editing is allowed (but not required):
 1. *Contrast & saturation adjustments.*
 2. *Color to B&W transitions.*
 3. *Removal of distracting elements.*
 4. *Creation of HDR & Panoramas.*
 5. *Infrared*
 6. *Use of Plug-ins such as ON1, Boris FX, etc.*
 7. *Adding watermarks.*
3. Photos must be taken *during the walk* (not before or after)
